

## MANUAL FOR HANDMADE GLASS LAMPS 4CONCEPTS

Please read the instruction manual carefully to obtain the best result from your purchase.

### 1. ATTENTION !!!

- The lamp base is handmade by highly skilled craftsmen.
- Glass may include blisters and other disorders of typical for individually produced molds.
- Craftsmanship is a guarantee uniqueness.

### 2. SHADE INSTALLATION

- Undo the nut of the light bulb holder
- Place the shade grip onto the light bulb holder
- Tighten the fixing nut

### 3. SHADE LEVELLING

- The shade can be levelled horizontally with the joint under the light bulb.
- **Do not turn any screw in the joint!!!**
- **Does not deviate the shade more than 5 degrees of arc on the level**

### 4. WARNING!

- **The lamp base is made of glass. Please be careful !!!**
- Caution !!! Breaking the lamp glass base may result in serious injury.
- Caution - electrical device !!!
- Do not touch the electrical plug and the cable with wet hands.
- Do not modify (remodel) the power cord (cable).
- Do not switch on the device if the power cable is visibly damaged.
- Do not lift and move the lamp by holding the bulb holder .
- The electrical wire (Z-mount) cannot replaced.
- **PLEASE KEEP OUT OF REACH OF CHILDREN.**

### 5. Lamp is sold without the light bulb.

### 6. LAMP MAINTENANCE AND CLEANING

- Always disconnect the fixture from power before cleaning, removing or installing any part.
- Clean the glass base of the lamp with a proper, wet and soft cloth. Use only soft cleaning agents for glass materials, without any abrasive substances.
- Be careful not to put too much pressure on the glass lamp base while cleaning.
- With the high voltage you can suffer a dangerous electric shock when touching alive wires and electrical parts under covers.

### 7. Please consider that damages caused by modifications to the device or not following to the manual or not proper usage of the glass object are not subject of the guarantee.
